**A Note to All Members:** PECO and Exelon are committed to environmental stewardship and it is in support of this goal that in the future, the Committee has decided to eliminate the printing of the annual QCC book. The book will continue to be updated and available to view or download on the QCC website at <https://qcc.exeloncorp.com>

## **PRESIDENT'S MESSAGE**

Welcome to the 96<sup>th</sup> Annual Quarter Century Club Dinner. On behalf of the Officers and Committee members of the PECO Quarter Century Club it is my pleasure to continue this tradition and we look forward to this evening every year. On behalf of the Officers and Committee Members, I would like to welcome the 52 new members that will be inducted for 2024.

The 2024 committee members have worked hard to make the evening very special for each and every one of you. I want to personally thank the committee and our executive sponsor, Katie De Luca, for their hard work and diligence this past year to ensure that this year's dinner is a success.

I would also like to extend a special thank you to Dave Velazquez, President and CEO of PECO. Without his support this evening would not be possible. Thank you Dave!

As you know, PECO is committed to environmental responsibility, and so is our PECO QCC. Now that we have our annual QCC Book in electronic format, we will no longer be printing the book on an annual basis. Moving forward, all updates to the book will be accessible via a link on our QCC website. Thank you for supporting our commitment to a sustainable future for our planet.

It has been both a privilege and an honor to serve as President of the Quarter Century Club for this year. The Committee and I look forward to helping our incoming President, Tim Flanagan. It's great to be continuing this time-honored tradition at PECO.

In closing, I wish you all good health and prosperity. Thank you again and enjoy the night!
